

FIRST REGULAR SESSION
SENATE COMMITTEE SUBSTITUTE FOR
HOUSE BILL NO. 591
96TH GENERAL ASSEMBLY

Reported from the Committee on Financial and Governmental Organizations and Elections, May 5, 2011, with recommendation that the Senate Committee Substitute do pass.

1328S.02C

TERRY L. SPIELER, Secretary.

AN ACT

To amend chapter 332, RSMo, by adding thereto one new section relating to limited dental teaching license.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 332, RSMo, is amended by adding thereto one new
2 section, to be known as section 332.425, to read as follows:

**332.425. 1. The dental board may issue a limited teaching license
2 to a dentist employed as an instructor in an accredited dental school
3 in Missouri. The holder of a limited teaching license shall be
4 authorized to practice dentistry, in accordance with section 332.071,
5 only within the confines of the accredited dental school programs. A
6 limited teaching license shall be renewed every two years and shall be
7 subject to the same renewal requirements contained in section 332.181.
8 A limited teaching license shall be subject to discipline in accordance
9 with section 332.321 and shall be automatically cancelled and nullified
10 if the holder ceases to be employed as an instructor in the accredited
11 dental school.**

12 **2. To qualify for a limited teaching license, an applicant shall:**

13 **(1) Be a graduate of and hold a degree from a dental school. An
14 applicant shall not be required to be a graduate of an accredited dental
15 school as defined in section 332.011;**

16 **(2) Have passed the National Board Examination in accordance
17 with criteria established by the sponsoring body;**

18 **(3) Have passed a state or regional entry level competency
19 examination approved by the Missouri dental board for licensure
20 within the previous five years;**

21 (4) Have passed a written jurisprudence examination given by
22 the board on the Missouri dental laws and rules with a grade of at least
23 eighty percent;

24 (5) Hold current certification in the American Heart
25 Association's Basic Life Support (BLS), Advanced Cardiac Life Support
26 (ACLS), or certification equivalent to BLS or ACLS;

27 (6) Submit to the board a completed application for licensure on
28 forms provided by the board and the applicable license fee; and

29 (7) Submit to the board evidence of successful passage of an
30 examination, approved by the board, of spoken and written proficiency
31 in the English language.
